## Key Product Features & Benefits

- ActivMotion Sensor™**  
 Automatically senses its position and adapts its cleaning path with an intelligent steering correction for a faster and more accurate navigation.
- Patented PosiTrax Tyres**  
 Designed for Australian pools, the patented PosiTrax tyres provide extra grip and manoeuvrability to climb walls.
- Patented Vortex Vacuum technology**  
 Captures large debris such as gumnuts, twigs and eucalyptus leaves while ensuring constant suction power throughout the cleaning cycle.
- Super large and user-friendly filter canister**  
 Easy to access and hygienic, it allows you to clean and remove debris in a matter of minutes with minimum fuss.
- Plug & Play**  
 Simply plug the power cord into a regular 240V wall socket and press the button 'Play' on the control box; the Zodiac V3 starts cleaning whilst you can relax.
- Transport Storage Caddy**  
 Moving the cleaner around is a breeze with the user-friendly caddy!
- Certified to Australian safety standards**
